Your Reading Tracker

The reading challenges (20 in all) are on the camp signposts on the left side of your log. These are suggestions for fun with reading. Check off which ones you complete.

(Suggested goal: 2+/week.)

Across the river on the right side is a forest of trees where you can color every day you read.

You can color a tree for any amount of time you read. You set YOUR goal.
(Suggested goal: 20 minutes a day).
